27-31 MARCH 2022 #ICARE2022 #BUDAPEST

Dear Friends and Colleagues,

Hungary and Budapest welcomes all of you for the 5th International Conference on Avian, Reptile and Exotic Mammal Medicine (ICARE). Companies and associations, who are interested, are welcome to join the ICARE2022 Exhibition, a unique opportunity to meet expert vets from all around the world. ICARE2022 is taking place in Budapest Congress Center, a purpose-built facility with all the advantages of a high-quality professional conference venue. Budapest, with its central location in Europe, is easily accessible from all continents and offers lots more than expected. With the goal of providing a platform to bring specialists, professionals, students, practice owners, clinicians and decision makers in our field together, to share the newest know-how about the veterinary care of exotic and wild animals, your organising committee endeavours to bring you a conference to remember.

We are thrilled and honoured to invite you to join us as a sponsor/ exhibitor at ICARE2022.

See you in Budapest in March 2022!
